Heat Mat Ltd Heating Elements Model HCU

BEAB Ref No: CRE 0106

Intertek has received a written declaration dated 24 Jul. 2009 from the applicant stating that with the exception of the removal of the mat that the element is secured to, the above elements are identical to the elements already approved under the following designation:-

HEAT-COM FLX 100/150/190, HICM 100/150/190, and PRO100/150/190

BEAB Ref No: RH 3516

Because the differences detailed in the above do not cause any departures from the requirements of the Standard, as applied to the element, Intertek accepts the written declaration in granting approval to the products.
